### Authorization Letter

On behalf of the Council meetings of Nahda University and myself I thank you for your active and sincere support toward the implementation of the signed memorandum of understanding for academic cooperation between our institutions in the fields of Education, Training and Scientific Research.

I would like to inform you that we would like to extend our cooperation between the Scientific and Technological Applied Research University "STAR-University" (under establishment) and your esteemed university.

In this letter I authorize Prof. Dr. Mohamed Ewiss, Counselor, International and Cultural Affairs at Nahda University to discuss and sign during his visit to Astrakhan, any further MoU and/or amendment to include further activities, research projects and organization of joint conference of mutual interest.

With best regards.

Sincerely Yours

President

  
Prof. Dr. Seddik Afifi
